ABSTRACT

This directory of promising practices in international teacher education represents an inventory of 95 programs, courses, or projects that provide an international dimension in the undergraduate teacher preparation programs of member institutions of the American Association of Colleges for Teacher Education. Organized alphabetically by program topic, e.g., Comparative Education, Social Studies, etc., each listing provides information regarding the contact person, institution, address and telephone number, brief description of the program, course name, textbooks used, and activities that provide a global perspective to students and faculty. Activities include faculty development, internships, student teaching abroad, study tours abroad, study travel abroad, and travel study abroad preparation. (CB)

INTRODUCTION

This directory of promising practices in international education has been compiled over the life of the AACTE/DOE Guidelines for International Teacher Education Project, beginning in September, 1984 and ending August, 1987. The directory represents an inventory of 95 programs, courses or projects that provide an international dimension in the undergraduate teacher preparation programs of AACTE member institutions.

Organized alphabetically by "Program Topic," each listing provides the reader with the contact person for the program, institution, address and telephone number. A brief description of the program, a course name and/or description, textbooks used and any activities which provide a global perspective to students and faculty. The activities are identified by the following titles: Faculty Development, Internships, Student Teaching Abroad, Study Tours Abroad, Study Travel Abroad, Travel Study Abroad Preparation.

Additional materials concerning any of the programs herein may be obtained from the contact person listed in this directory.

AACTE invites member institutions to submit materials on programs which their school offer that provide an international dimension in undergraduate teacher education. Please send materials to: AACTE, International Programs, 1 Dupont Circle, Suite 610, Washington, DC 20036.
